SHELTON'S TRUCK DRIVER TRAINING PROGRAM RECEIVES AWARD

Shelton State's truck driver training program was recently chosen to receive the West Alabama Food Bank's Outstanding Service Award for 1995. The award was made by the West Alabama Food Bank Board of Directors.

According to Craig Young, executive director of the West Alabama Food Bank, "Mike Warren and his instructors, Paul Barksdale and Mike Tusic, have been instrumental in responding to the needs of the hungry citizens of West Alabama through pick-up and delivery of vital foodstuffs."

"We are pleased to recognize and acknowledge their efforts as well as Dr.

Umphrey's for his willingness to help facilitate Shelton State's support for the Food Bank and for hunger relief in our community," Young said.

UMPHREY RECEIVES PACESETTER AWARD

Shelton State President Tom Umphrey recently received the 1995 Pacesetter Award for District II National Council for Marketing and Public Relations. NCMPR is a professional organization for individuals involved in marketing, communications and public relations at community, junior and technical colleges across the United States. District II encompasses 11 states, Puerto Rico and the Virgin Islands. The award is presented annually to the two-year college president who has shown the most effective support of college marketing.

As the recipient of the District II Pacesetter Award, Umphrey will compete with six other community college presidents from across the United States. The national NCMPR Pacesetter Award will be announced during the organization's national conference in St. Louis next March.

CELEBRATING WITH THE CHILDREN

Ted Spring, Mike Aaron, Mark Cornelius, Jeanine Collins, Patrice Johnson, Johnny Meyer, and Fran Turner help students "find colors" and make color books. Carol Bussey and Sully Cochrane read about animals, especially edible Ark Animals. Debbie Grimes is a "Book Buddy." Brenda Ryan and Pam Davis prepare a literacy experience. Lori Cannon and Ruby Miller read math tales. Marilyn Terry and Rosanna Pate read and sing -- in Spanish. Allan Mallory takes five of his classes for a field trip.

All of these things happened at Shelton during September as part of the college's Literacy Month Celebration.

Members of the college's faculty, staff and administration teamed up to help the children in the Child Development Center develop a love of print. With 27 children between the ages of three and four and a half, there is always a lot of creative activity in the center.

If you are interested in becoming part of this group and would like to visit and read to the children, please contact Fran Turner, ext. 2207.

CELEBRATING QUALITY

September 18 was a very special day. It was Cleo Elliott's 46th birthday. It was also the day that Shelton's library staff showed their appreciation to Cleo for his meticulous maintenance of the library.

One of the staff's senior aids, Myrtle Reece, baked Cleo a cake while the rest of the staff chipped in to provide other refreshments. Staff members asked to remain anonymous because they wanted the focus to be on Cleo.

When asked about the reason for the celebration, one staff member said, "Cleo is someone who goes over and above what is expected. He cares! He really cares, not just about his work; he cares about people too, about students. And it shows in his attitude, in his smile, and in the way he goes about his work. He's a quality guy and he's real special to the staff. We just wanted to show our appreciation."

So happy belated birthday, Cleo! Thanks for showing the rest of us what "quality" is all about.

SPECIAL THANKS TO ALL -- FOR THE SUCCESS OF THE BARBECUE BASH

A special thanks to everyone who helped make the Shelton State Foundation's fourth annual Barbecue Bash such a success. The event netted over \$7,350 for the Foundation's scholarship funds.

Money derived from the Barbecue Bash will be divided among the organization's established scholarship funds. For more information on the Foundation or its programs, contact the Foundation office, 391-2298.
